CONDIZIONI GENERALI DI VENDITA:

Con il conferimento dell'ordine, il Cliente accetta integralmente e senza riserve le seguenti condizioni generali di vendita.

1. PREZZI: I prezzi si intendono per merce resa franco fabbrica. I prezzi indicati nei nostri listini possono essere soggetti a variazioni e non sono impegnativi. Ogni ordine conferito potrà essere ritenuto valido solo se da noi accettato mediante conferma d'ordine.

2. PAGAMENTI: I termini di pagamento specificati in fattura si intendono tassativi. Qualsiasi variazione dovrà essere preventivamente ed espressamente concordata con Elka srl. I pagamenti si intendono validamente effettuati presso la nostra sede di San Maurizio d'Opaglio, salvo diversi accordi relativi a pagamenti differiti. Il ritardato pagamento delle forniture comporterà l'addebito degli interessi bancari. In caso di mancato pagamento entro i termini concordati, Elka srl si riserva la facoltà di sospendere le consegne e l'esecuzione degli eventuali ordini già accettati. Nessun pagamento potrà essere differito o sospeso in caso di contestazione.

3. TERMINI DI CONSEGNA: I termini di consegna si intendono approssimativi e non impegnativi, in quanto subordinati alle possibilità produttive e operative del momento. L'eventuale mancato rispetto dei termini di consegna potrà essere conseguenza, a titolo esemplificativo, di carenze di materie prime, avarie o guasti ai macchinari, scioperi, serrate, epidemie, interruzioni o ritardi nei trasporti.

4. IMBALLAGGI: Gli imballaggi vengono fatturati al costo e non se ne accetta la restituzione, salvo diverso accordo preventivo. Gli imballaggi sono eseguiti da personale specializzato. Elka srl declina ogni responsabilità per eventi non direttamente imputabili alla propria attività.

5. TRASPORTI: La merce viaggia a rischio e pericolo del Cliente, anche nel caso in cui la spedizione venga effettuata in porto franco. Elka srl declina ogni responsabilità per ritardi, guasti, avarie, rotture, ammacchi o altri danni verificatisi durante il trasporto. Spetta al Cliente presentare eventuali reclami direttamente al trasportatore, anche nel caso in cui quest'ultimo sia stato scelto da Elka srl.

6. RESPONSABILITÀ: Tutti i nostri prodotti vengono accuratamente controllati e collaudati. La responsabilità di Elka srl relativamente alla qualità dei materiali è limitata, previa nostra autorizzazione, all'accettazione del reso dei prodotti riconosciuti difettosi al fine di provvedere alla loro sostituzione, senza alcun obbligo di corresponsione di ulteriori indennizzi. Elka srl non assume alcuna responsabilità qualora i materiali forniti risultino manomessi, modificati o sottoposti a lavorazioni non autorizzate. È escluso qualsiasi risarcimento per danni diretti o indiretti derivanti dalla posa in opera o dall'utilizzo di materiali difettosi. È fatto assoluto divieto agli acquirenti di effettuare lavorazioni ulteriori sui prodotti di nostra produzione senza preventiva autorizzazione. Non verrà accettata merce restituita senza preventiva autorizzazione di Elka srl. Le immagini e le illustrazioni contenute nei nostri cataloghi e dépliant hanno esclusivamente lo scopo di rappresentare i prodotti e non costituiscono obbligo di fedele corrispondenza con il prodotto fornito. Dettagli, dimensioni e pesi indicati devono essere considerati approssimativi. Elka srl non assume pertanto alcuna responsabilità relativamente a eventuali differenze e non riconoscerà richieste di risarcimento derivanti dalle stesse. I costi di smontaggio, rimontaggio, spedizione da e verso il luogo di installazione e riparazione sono a carico del Cliente e non possono, per alcun motivo, essere addebitati, in tutto o in parte, a Elka srl. Con l'acquisto di un prodotto Elka, il Cliente si impegna a non richiedere a Elka srl il risarcimento di danni morali o materiali riconducibili, anche parzialmente, al malfunzionamento di un prodotto Elka, fatti salvi i limiti inderogabili previsti dalla legge.

7. RECLAMI: Non si accettano reclami trascorsi otto giorni dal ricevimento della merce. Decorso tale termine, la merce si intenderà definitivamente accettata e conforme. Per qualsiasi controversia sarà esclusivamente competente il Foro di Borgomanero e Novara, anche qualora gli ordini siano stati conferiti o trasmessi altrove, fatti salvi gli eventuali limiti inderogabili previsti dalla legge. Non avranno alcun valore né saranno riconosciute dichiarazioni, impegni o garanzie di qualsiasi natura assunti da dipendenti, agenti o rappresentanti di Elka srl qualora non risultino dalle presenti condizioni generali di vendita o da documenti ufficialmente sottoscritti dalla Società. **RISERVA DI PROPRIETÀ:** La merce consegnata rimane di proprietà di Elka srl fino all'avvenuto integrale pagamento.

8. GARANZIA: I prodotti Elka vengono rigorosamente controllati e collaudati prima di essere posti in vendita e sono garantiti contro i difetti di fabbricazione per un periodo di **2 anni per le finiture cromate** e di **1 anno per tutti gli altri componenti**, a decorrere dalla data di acquisto da parte del primo acquirente. La garanzia non comprende cartucce e vitoni e non si applica alle finiture diverse da quella cromata.

9. LA GARANZIA COMPRENDE:

- Difetti di fusione.
- Difetti di porosità.
- Difetti di cromatura.
- La riparazione o la sostituzione del componente riconosciuto difettoso a seguito della verifica dei nostri tecnici e previa presentazione del tagliando di controllo comprovante la data di acquisto.

LA GARANZIA DECADE NEI SEGUENTI CASI:

- Riparazioni o interventi di manutenzione effettuati in modo non idoneo o senza preventiva autorizzazione di Elka srl.
- Utilizzo non corretto della rubinetteria.
- Deterioramento del prodotto imputabile a un'installazione non corretta.
- Deterioramento delle superfici con finiture diverse da quella cromata, la cui durata è subordinata alla cura e alla delicatezza d'uso da parte dell'utente.
- Deterioramento delle superfici cromate causato dall'utilizzo di prodotti per la pulizia contenenti acidi, sostanze corrosive o abrasive.

Elka srl raccomanda pertanto di pulire le superfici cromate, ottonate o colorate esclusivamente con acqua e sapone, utilizzando un panno morbido.

La garanzia non è rinnovabile. Il presente catalogo annulla e sostituisce quelli precedenti.

È responsabilità del Cliente restituire il prodotto per il quale viene richiesto un intervento in garanzia utilizzando un imballaggio adeguato a preservarne l'integrità. Eventuali danni subiti durante il trasporto comporteranno il decadimento della garanzia.

Elka srl non è in alcun modo responsabile per danni a cose, animali o persone causati da un utilizzo dei propri prodotti diverso da quello per il quale sono stati progettati e costruiti.

Elka srl's liability regarding the quality of materials is limited, subject to our prior authorisation, to accepting the return of products acknowledged to be defective in order to arrange their replacement, without any obligation to pay additional compensation. Elka srl accepts no liability if the products supplied have been tampered with, modified or subjected to unauthorised processing. Any compensation for direct or indirect damage resulting from the installation or use of defective materials is excluded. Customers are strictly prohibited from carrying out any further processing or modification of our products without prior authorisation. No returned goods will be accepted without the prior authorisation of Elka srl. Images and illustrations contained in our catalogues and brochures are intended solely to represent the products and do not constitute a guarantee that the products supplied will correspond exactly to the images shown. Details, dimensions and weights are to be considered approximate. Elka srl therefore accepts no liability for any variations and will not accept claims for damages arising from such variations. All costs relating to dismantling, reassembly, shipping to and from the place of installation and repair shall be borne by the Customer and may not, for any reason, be charged in whole or in part to Elka srl. By purchasing an Elka product, the Customer agrees not to claim compensation from Elka srl for material or non-material damage attributable, even in part, to the malfunction of an Elka product, subject to any mandatory provisions of applicable law.

7. CLAIMS: Claims will not be accepted more than eight days after receipt of the goods. After this period, the goods shall be deemed to have been finally accepted and to be in conformity. Any dispute shall be subject exclusively to the jurisdiction of the competent courts of Borgomanero and Novara, even where orders have been placed or submitted elsewhere, subject to any mandatory provisions of applicable law. No statement, undertaking or warranty of any kind made by employees, agents or representatives of Elka srl shall be binding or recognised unless it is expressly contained in these General Terms and Conditions of Sale or in documents officially signed by the Company. **RETENTION OF TITLE**: The goods supplied shall remain the property of Elka srl until payment has been received in full.

8. WARRANTY: Elka products are rigorously inspected and tested before being placed on the market and are covered against manufacturing defects for a period of **2 years for chrome finishes** and **1 year for all other components**, from the date of purchase by the first purchaser. The warranty does not cover cartridges or valve mechanisms and does not apply to finishes other than chrome.

9. THE WARRANTY COVERS:

- Casting defects.
- Porosity defects.
- Chrome-plating defects.
- Repair or replacement of any component acknowledged to be defective following inspection by our technical staff and upon presentation of the inspection/warranty card as proof of the date of purchase.

THE WARRANTY SHALL BECOME VOID IN THE FOLLOWING CASES:

- Repairs or maintenance carried out improperly or without the prior authorisation of Elka srl.
- Improper use of the tapware.
- Deterioration of the product caused by incorrect installation.
- Deterioration of surfaces with finishes other than chrome, the durability of which depends on the care taken by the user.
- Deterioration of chrome-plated surfaces caused by the use of cleaning products containing acids, corrosive substances or abrasives.

Elka srl therefore recommends cleaning chrome-plated, brass-plated or coloured surfaces using only water and soap with a soft cloth.

The warranty is not renewable. This catalogue supersedes and replaces all previous catalogues.

The Customer is responsible for returning any product for which warranty service is requested in suitable packaging capable of protecting the product from damage. Any damage occurring during transport shall invalidate the warranty.

Elka srl shall not be liable for damage to property, animals or persons resulting from the use of its products for purposes other than those for which they were designed and manufactured.
